

Golden Days

Golden Days design are for retirement villages with dining areas up to 120 people.

This kitchen plan will provide a good work space for a regular in house operator to run regular meals or enable outside caterers to operate the kitchen for banquets and special occasions.

Set out in a bistro or hotel style kitchen, the Golden Days kitchen can cope with short order work and incorporates casual dining menus with such meals as steaks and snitzels.

The dishwash area can handle up to 150 covers.
